

American solar curtain wall manufacturers

Overview

Who makes a curtain wall?

AmCraft Manufacturing Inc., founded in 2000, is an American manufacturer based in Elk Grove Village, Illinois, offering industrial, thermal, and acoustic curtain wall solutions. The company's curtain walls provide solutions for sound-dampening and sound-blocking enclosures, temperature zones, and isolation of work or storage spaces.

What is a solar curtain wall?

Commercial applications are most often designed, engineered, and installed by Solar as storefronts. The curtain wall can be utilized on virtually any type of business. A system can be added to the exterior of your building or utilized for interior divisions between departments or as office walls.

What is a curtain wall system?

The Curtain Wall System is a thermally enhanced aluminum tubular glazing system for commercial and residential applications. Curtain walls are an excellent way to bring natural light into a room while remaining protected from the elements.

Are solar innovations ® curtain wall frames custom built?

All Solar Innovations ® curtain wall frames are custom built to meet the exact dimensions of your opening. Solar Innovations ® offers eight standard frame finish colors and unfinished aluminum; custom finish options are available at an additional cost.
