

Canada battery replacement cabinet system

Overview

Where can I buy battery charging cabinets?

Get your battery charging cabinets from the leading fabricator in the Pacific Northwest and Western Canada. Depend on Wesgar to eliminate supply chain delays and deliver quality cabinets—from small to extra-large. Our cabinets are safe, weather and fire-resistant, and designed for indoor and outdoor use.

What is a lithium ion storage & charging cabinet?

Lithium-ion storage and charging cabinets are used to store batteries safely. Manufactured by asecos, these cabinets offer All-around protection: 90-minute fire protection from the outside. With tested, liquid-tight spill sump.

Why should you choose asecos lithium-ion storage cabinets?

Asecos Lithium-ion, safety storage cabinets, provide all-around protection, ensuring fire safety during battery charging and storage with features like self-closing doors and liquid-tight spill containment. Discover our latest designs, perfect for both residential and commercial applications.

Why should you choose wesgar battery storage cabinets?

Rely on Wesgar to produce first-class battery enclosures and take care of your unique needs. Our quality custom lithium-ion battery storage cabinets are skillfully fabricated leveraging our 250+ team of professionals, leading-edge equipment and robotics, and 55+ years of dedication to best practices on our 4-acre plant in British Columbia.
