

Containerized generator export

Overview

What is a forx container type diesel generator set?

FORX container type diesel generator set uses advanced sound-absorbing material, through scientific design and the advanced technology in the field of acoustics, airflow to achieve the goal that reduces the noise.

Are containerized generators reliable?

Years of use in the rental, oil and gas, mining and other heavy-duty industries have tested the reliability, usability and durability of our containerized generators. Our primary design challenges in developing this line of containerized generators were usability, reliability and functionality for the end user.

What is a Tier 4 containerized generator?

Our Tier 4 containerized generators are high-powered —500 kW to 1250 kW— units packaged in 30-foot or 48-foot ISO containers.
