

# Customer Support for 350kW Photovoltaic Containerized Unit in Shopping Mall

## Overview

---

What is a mobile solar PV container?

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and commercial applications. Fast deployment in all climates.

What is HJ mobile solar container?

The HJ Mobile Solar Container comprises a wide range of portable containerized solar power systems with highly efficient folding solar modules, advanced lithium battery storage, and smart energy management.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

How do I contact smart photovoltaic customer service?

Talk to our well-chosen sales consultant for your exact solar energy needs. For after-sales product related issues, please fill in this form. You can contact the official smart photovoltaic customer service by email and phone to write down your problems or troubles. We will contact you as soon as possible and assist in solving them.

## Customer Support for 350kW Photovoltaic Containerized Unit in Shopping Center

---

### [Benefits of Installing Solar Panel in Mall. Shopping Center](#)

Installing solar power in a mall or shopping center minimizes the chances of electricity rate hikes for nearly 15 years. Typically, electricity rates increase by 6% every year, and a solar panel ...
