

Egypt solar container outdoor power Specialty Store

Overview

What does solarizegypt do?

SolarizEgypt will handle all the financing required for the design, installation, operation and maintenance of the solar power plant. Our objective is to sell the electricity generated from the solar plant. [Read More](#) Our electricity production is guaranteed for your ease of mind.

Who is Solaire Egypt?

Investing in your future has never been easier. Solaire Egypt was officially established in 2020 after the partners, Ibrahim Hassaballa, Mohamed Ali and Amr Haridi met and realized they form a team with the perfect balance of expertise for renewable energy.

Why do you need a solar container?

Deploy power in hours Perfect for remote locations, construction sites, events, and emergency response situations. Our solar containers ensure fast deployment, scalability, customization, cost savings, reliability, and sustainability for efficient energy anywhere.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
