

Home solar container outdoor power self-operated

Overview

What is a solar container home?

Featuring integrated solar power, rainwater collection, and a composting toilet, it empowers you to live independently and sustainably. Simply place this container home on your land, deploy the solar panels, and let nature do the rest. Your off-grid adventure awaits!.

What is a self-unloading mobile solar container?

Self-unloading mobile Solar Container. Our Solar Containers are designed in a way to maximize ease of operation. It's not only meant to transport PVs but also to unfold them on site. It is based on a 20' sea container. The efficient hydraulic system helps quickly prepare the Solar to work.

What is the ultimate off-grid container home?

The Hideaway: The Ultimate Off-Grid Container Home Designed For Freedom. Designed for the ultimate off-grid experience, this self-sufficient and durable shipping container home is your dream eco-friendly getaway. Featuring integrated solar power, rainwater collection, and a composting toilet, it empowers you to live independently and sustainably.

Who is custom container living?

Founded by Robert Wagoner in 2015, Custom Container Living is dedicated to delivering exceptional, environmentally conscious homes. From solar power integration to innovative water systems, our homes are designed to help you reduce your reliance on external resources and thrive off the grid.
