

Huawei ASEAN Liquid Cooling Energy Storage

Overview

Who launched ASEAN Energy Data Centre?

Launching of the ASEAN Energy Data Centre, formalised by Dr Nuki Agya Utama, Executive Director of ACE, and Mr. Jin Song, CEO of Digital Power Business Indonesia, PT. Huawei Tech Investment.

What is the ASEAN data centre white paper?

Dr Nuki Agya Utama, Executive Director of ASEAN Centre for Energy stated, "The white paper reflects on challenges in data centre installations and operations, as well as a comprehensive discussion on the matter of technology trends and ways to address energy consumption, cost savings, and environmental responsibility.

Will ASEAN build next generation data center facility in 2024?

On 17 May 2024, the White Paper on Building Next Generation Data Center Facility in ASEAN, co-developed by the ASEAN Centre for Energy and Huawei, was released at the Global Data Center Facility Summit 2024 in Marina Bay Sands Convention Center, Singapore.

Why are ASEAN data centres so popular?

Due to the tropical climates of the ASEAN region, data centres feature high cooling requirements, high energy consumption, and power usage effectiveness (PUE) values far higher than the global average.
