

Portugal 24V Solar Air Conditioning

Overview

Who installs air conditioning & solar heating systems in the Algarve?

Air Conditioning We are the top installer of air conditioning and solar heating systems in the Algarve and carry stocks of leading manufacturers including Mitsubishi, Daikin, Samsung, Panasonic, LG and SANYO. **Solar Heating** Installation of solar heating and solar energy panels for swimming pools and villas in the Algarve.

Does Algarve air & solar service your AC?

At Algarve Air & Solar, we offer servicing packages that ensure your AC remains energy-efficient and prolongs its lifespan—especially important in Portugal's dusty summer conditions. With any installations that are carried out by Algarve Air & Solar - you are required to service your system once a year.

How does Algarve air & solar size your air conditioning system?

At Algarve Air & Solar, we size your air conditioning system based on the square metres of your room, insulation quality, ceiling height, and sun exposure—especially important in Algarve's hot summers.

How long does an air conditioner last in the Algarve?

With proper installation and regular maintenance, a high-quality air conditioning unit in the Algarve can last 10–15 years or more. At Algarve Air & Solar, we select systems built to withstand the region's heat and salt air, ensuring you get maximum value from your investment. Expert air conditioning installers and repair services.
