

# Professional supercapacitor manufacturer in Yamoussoukro

## Overview

---

The region is home to companies such as Maxwell Technologies (a Tesla subsidiary), CAP-XX, Saft, and Supreme Power, which are focused on supplying advanced super capacitor modules for electric vehicles, industrial power backup, and grid energy storage systems. Who makes supercapacitor in China?

Kamcap is one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type supercap capacitor, module supercaps, high temperature supercap and hybrid capacitor.

What are supercapacitors & ultracapacitor?

Supercapacitors or ultracapacitors offer unique advantages like ultrafast charging, reliable operation spanning millions of duty cycles alongside wide operating temperatures and collaborative integration with batteries or fuel cells for energy storage applications.

Who is kamcap supercapacitor?

Kamcap supercapacitor is one of the most professional ultracapacitor companies with the largest production scale, the most complete product specifications and the most competitiveness in China. We are not only aimed at producing the best ultracapacitor, but also making contribution to the development of global energy and creating value for customers.

What types of ultracapacitor are available?

We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type supercap capacitor, module supercaps, high temperature supercap and hybrid capacitor. Kamcap is devoted to the research and development of ultracap and strictly control the ultracapacitor production.

## Professional supercapacitor manufacturer in Yamoussoukro
