Pv breaker isolator in China in New-Zealand

Overview

What is an enclosed isolator?

Enclosed isolators provide a reliable and robust solution for electrical isolation needs, ensuring a high level of protection for personnel and equipment.

What types of isolation switchgear does nhp offer?

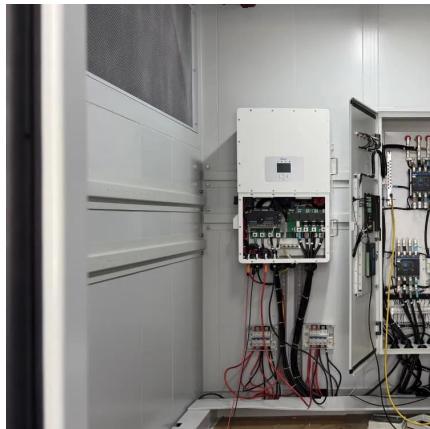

NHP offers an extensive range of isolation switchgear ranging from modular DIN and base mount switch-disconnectors for main switch isolation and emergency switching, to DC load break switches for solar PV and battery isolation.

Does nhp offer an enclosed isolator?

NHP offer various enclosure options for indoor and outdoor applications, with current ratings up to 800A as standard (higher available as custom), making it easy to find the right enclosed isolator for your operating conditions.
