

Solar container battery cabinet proofing

Overview

Do heavy batteries need a solar battery box?

Heavy batteries demand a solar battery box with extra strength and durability. In order to protect outdoor batteries from weather and damage, Bison Profab manufactures custom NEMA 3R enclosures.

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

What is a solar battery enclosure?

Free-standing enclosures and floor-mounted enclosures are perfect either for large solar batteries or many batteries that are too heavy to be wall-mounted or pole-mounted. Free-standing battery enclosures could be of any height, width, and depth according to your requirements. They can be portable if you choose to include casters.

Are KDM solar battery cabinets waterproof?

KDM solar battery cabinets provide you with the ultimate outdoor dust-tight, watertight, and weatherproof solution for your solar batteries. These cabinets not only have special gaskets against dust and liquids but also locking mechanisms to secure your enclosure against unauthorized access.
