

Taipei New Energy Storage Container Manufacturer

Overview

What is Longtan energy storage system?

State-run Taiwan Power Company inaugurates today (Jan. 22) the Longtan Energy Storage System, the largest such facility in Taiwan up to now, built by TECO Electric & Machinery, on a turnkey basis.

Are Taiwanese manufacturers implementing vertical integration in the energy storage industry?

There are Taiwanese manufacturers currently investing in each of the aspects of the energy storage industry, and some of them are implementing the vertical integration of the supply chain.

What makes billion a great energy storage company?

Through innovative energy storage technology and global business strategy, Billion is committed to helping the efficient use of energy and green transformation, and providing customers with high-quality and high-reliability energy storage solutions.

How safe is Taiwan's Power System?

With an eye on the safety and stability of Taiwan's power system, the Longtan system features multiple protective measures for energy-storage safety, including "gas detector," "isolating switch," and "clean fire-extinguishing agent," assuring rapid and effective handling of potential risks under any circumstances.
