

US Folding Container 40ft Manufacturer

Overview

What is the cost of a 40' shipping container home?

For a limited time, we are offering our 40' Shipping Container Home at a price of \$86,995. In exchange, we ask for photos and videos to use on our website and social media channels. Located in Southern Florida, our team has just finished our COMPLETELY SOLD OUT pre-production run and delivered the first units to our customers.

What is a seafold 40' container?

A collapsed bundle of five SeaFold 40' containers accommodates the same slot as one conventional 40' High Cube container creating 80% more storage and operating cost efficiencies at terminals, railheads, and ports, along with reducing lifts and container movement on ships, truck, rail, and barges.

What is a 40ft container?

40ft containers are the largest shipping containers that we offer for sale. We have a range of new (one-trip) 40ft containers and used / second hand containers available for sale. We also sell 40ft high cubes, tunnels, flat rack, open top and open-sided containers. Buy online or contact our sales team for advice.

Where is the King's Peak 40' Shipping Container Home manufactured?

Our King's Peak 40' Shipping Container Home is one of the first floorplans to come out of our USA factory. Located in Southern Florida our team has just finished our COMPLETELY SOLD OUT pre production run and delivered the first units to our customers.
